

Golf Camp

Maitland Newcastle Catholic Schools has partnered with Golf NSW to provide an opportunity for students to participate in a two-day Golf camp during the upcoming holiday period. It will kickstart or further an individual's love of golf and will provide further opportunities in the sport.

This program aims to teach essential movement skills, the golf swing, and target alignment, while emphasising power generation, ball flight, and trajectory through interactive games. It also fosters qualities such as control, focus, concentration, and teamwork, offering participants the chance to utilise their skills on the golf course and explore additional opportunities in schools, Jack Newton Junior Golf, and local clubs.

This camp is based on ability and experience. Students are grouped accordingly ensuring like-abilities in groups
