

## Stage 3 Basketball Development Program

Maitland Newcastle Catholic Schools has partnered with Dimes Basketball Academy to provide an opportunity for students to participate in a 4 week Basketball Development Program.

This program is led by coaches with Junior Representative, State, National and International experience. The aim of these small group sessions is to focus on individual skill development and game understanding.

It is a fantastic opportunity coming into our Diocesan basketball pathway with Diocesan Basketball selections in late November. This program does not guarantee a place in the Diocesan team.
