SOFTBALL SELECTIONS

Cumberland Nepean Softball Association
International Peace Park, Seven Hills
Monday 22nd February 2021

MESSAGE FROM THE NSWCCC SOFTBALL CONVENOR

Firstly, we acknowledge the Dharug people, and their ancestors, as the traditional guardians of the land upon which we gather and we pay our respects to their elders: past, present and emerging.

I would like to welcome you all to the 2021 CCC Softball Trials. Many people have worked together to make today's event possible. I would particularly like to acknowledge the assistance of Peter Garty, my predecessor and mentor. Today wouldn't have come together so seamlessly without your assistance. I would like to also acknowledge Ann-Marie Miranda, CSNSW Manager, Sport Services and Drew Ferguson whose work behind the scenes is tireless. Finally, a big shout out to Krissi Travers, various committee and club members of the Cumberland Nepean Softball Association, our team of umpires, and all other officials in attendance or who have worked behind the scenes.

Thank you to coaches, managers, and/or parents for all the time and effort that has gone into the preparation and organisation required to bring our athletes together in the name of sport. Players, if you have not already done so, be sure to show your appreciation.

Events such as this are traditionally marked by an obvious spirit of healthy, friendly competition and everyone involved should ensure that today is no different. Players, especially, must strive to represent their family, their school and their diocese or association with the pride, respect and dignity that has so often been on display in the past.

CANTEEN: Full canteen facilities are available throughout the day

RULES

1. All conventional rules of play from the Softball Australia Playing Rules and will apply to today's event, except where otherwise stated.
2. The team appearing **first** in the draw will **field first** (ie no toss). **Dugouts** are to be determined by **mutual agreement**.
3. Games will be of **one hour and five minutes** duration. This will be in the control of the umpires. If an innings is incomplete, scores will revert to the bottom of the previous innings **UNLESS** a team is batting second and has equalled or passed their opponent's score.
4. Speed between change of innings will be of the essence. This will include relieving the **catcher on base** after two outs.
6. As this is primarily a trial, we will operate the 6-across-the plate rule. No further runs in the specific play in question will count.
7. Sides will bat in alphabetical order and through the entire squad, rather than the conventional 9, although "3 out, side away" will still apply. Subsequent games will commence with the next at bat alphabetically.
8. Any further points of relevance will be pointed out prior to the tournament and/or by officials as need be.

NB: No metal cleats.
