

# Announcement Regarding Parking From Hunter Sports Centre

There will be no parking available in the direct precinct of Hunter Sports Centre for your event. We strongly suggest that you plan your trip to Hunter Sports Centre well in advance.

Where possible to limit the number of cars that are accessing the Centre we recommend:

- Spectators should consider public transport.
- Carpooling is encouraged.
- There will be limited disability parking onsite.

## WHERE PARKING IS AVAILABLE

On street parking is available in streets adjacent to Stockland, Glendale (highlighted in yellow) requiring a short walk to Hunter Sports Centre.

There is public parking at Bill Bowers Oval, Lake Rd, Glendale (highlighted in red) between 9am and 3pm. However, cars are NOT to park on the actual oval.

## PARKING AT STOCKLAND SHOPPING CENTRE

Stockland Glendale's carpark is for shopping centre patrons only. If you are intending to park at the shopping centre, please support the shopping precinct whilst in the area. Several shops have provided HSC guests with promotional vouchers. Please be considerate of Stockland shoppers and retailers and don't park in key shop front areas.

## Where parking is not permitted

The shopping precinct on the Hunter Sports Centre side of the road (AMART) is privately owned and sign posted as NO HUNTER SPORTS CENTRE PARKING. This area is under licence plate camera monitoring and parking fines are issued by the owner. The facility also has boom gates that are locked outside of operating hours.

## ENTRY TO THE FACILITY

Entry to the facility for Staff, Children and Spectators will be via the main foyer.
